Astoria Rapallo

The traditional coffee maker with a retro design

# Astoria Rapallo

- Electronic
- Automatic dose setting

with push-button control to determine the coffee serving.

- Retro design

Its unique line and visible units make "Rapallo" a special, refined coffee maker.

The "Rapallo" is produced for those barmen who want to stick to the tried-and-true tradition of Italian espresso coffee, even in their coffee machine.

Our technicians have selected, among the best manufacturers, those espresso coffee machines which, as a result of their constructive solutions, have been judged as most functional and reliable and that have given the best results in cup.

## Technical characteristics

The RAPALLO model is available with 2 or 3 groups on all versions.

The motor pump is always supplied with the machines (except the AL version).

- Body in stainless steel
- Double pressure gauge for boiler and pump pressure (single gauge on the AL version)
- Indicator light to indicate when the machine is supplied with electrical power
- Electronic Automatic Water Refill (A.W.R.)
- Ergonomic chromed filterholders with Bristot brand

## Options

- Electric cup warmer
- Gas heating with safety valve and automatic regulation
- Neon light
